AiDZ

Blues, Blues Rock Old School Good Time Original Artist

Building a comprehensive repertoire of old school blues songs, I also discovered I can twist and turn current contemporary songs which people recognise and enjoy. Creating originals that are tested at the Blues Bash in Townsville, which has had a residency for over two years at the Shamrock Hotel and now the Australian Hotel.

With the song list ever growing, playing gigs in Townsville, Airlie Beach, Bowen, Lucinda and Cardwell I decided it was time to take what I have further along the road.

Spreading the joys of music and old school music where you went to dance, drink and have a good time, not just sit and watch, I'm venturing out to the world to share my passions of music with everybody...

Let this new journey begin.....
