ROCK N BLUES FNQ

SOLO, DUO or FULL BAND

Building a comprehensive repertoire of old school blues songs, I also discovered I can twist and turn current rock songs which people recognise and enjoy. Creating originals that are tested at the Blues Bash in Townsville, having had a residency for over two years at the Shamrock Hotel and now the Australian Hotel continuing into 2019

With the song list ever growing, playing gigs in Townsville, Airlie Beach, Bowen, Lucinda and Cardwell I decided it was time to take what I have further along the road. Incorporate other artists from the Blues Bash, a Blues Harp Player, Guitarist and drummer all as required for the gig.

Spreading the joys of music and old school music where you went to dance, drink and have a good time, not just sit and watch, I'm venturing out to the world to share my passions of music with everybody...

Let this new journey begin.....
